

Are you a Social Security beneficiary?

SHARE YOUR STORY WITH US!

Purpose

Are you a Social Security or SSI beneficiary? Applying for benefits?

We are collaborating with legal services partners to listen and collect stories from folks all over the United States who have had a recent experience with Social Security or SSI — the good, the frustrating, and everything in between.

Your story can help show what's working and importantly, what's not.

Information Asked

- Your contact info
- Your experience with Social Security
- You can share by text, audio, video, or with our staff

Where Your Story Goes

With your consent, your story may be shared to shed light on Social Security's service issues that may be impacting the public.

Your privacy matters. We won't share information about your identity without your permission. You can always choose to stay anonymous.
